Dear Missionary Candidate,

Thank you for your interest in CanAmera Baptist Missions International. What a great privilege we share in being called of God to the front lines of the spiritual war that is the fulfilling of the Great Commission. Here in Manitoba we are in the middle of one of the major grain producing areas of the world. Often we see fields that are white unto harvest and witness the urgency of the harvesters to finish harvesting before the bad weather settles. This urgency is the reason for our existence as a missionary support ministry. Our prayer is that you may experience the joy and power of the Lord in your life as you move ahead in your missionary calling.

You will find the following in the preliminary application package you have received: the CanAmera Baptist Missions International Policy Statement and Instructions for Missionary Applicants booklets. From these you will notice that our mission's philosophy is firmly local church. Further, a preliminary application form and a sample of our missions' services agreement are enclosed. The reason for the preliminary application is simply that you as a missionary, CanAmera Baptist Missions International as the missionary support ministry and your sending church, may determine early in the process whether we will be able to work together.

To move the process ahead, we ask that you complete the preliminary application and forward the same to us along with the required letter from the pastor of your sending church.

If you should have any questions in regard to the preliminary application, or any of our mission's policies, please do not hesitate to contact us.

Upon our being satisfied that we can be of assistance to your ministry, a full missionary questionnaire will be forwarded to you. An interview will then be set up to discuss your future work and how CanAmera Baptist Missions International can play a part along with your sending church.

When we say "our mission is missions" we mean our mission is to assist missionaries in any way we are able.

Eagerly looking forward to being of assistance to you and your sending church in the fulfilling of the missionary enterprise to which God has called you.

Yours truly,
